HONG KONG RESTAURANT INTERIOR DESIGN AWARDS

When dining out, it’s not just the quality of the food that affects the experience of the diner; the ambiance can make or break an eating experience. Interior design is a crucial consideration for restaurants, bars, and hotels and ensuring the perfect setting, lighting, and furnishings sets the entire mood for a meal.

Hong Kong Restaurant Interior Design Awards (HKRIDA) hosted by Restaurant and Bar Hong Kong (RBHK) had a successful launch in 2015. This year, we are proud to announce Tasting Kitchen Magazine (<http://www.tasting-kitchen.com/>), the SOPA (<http://www.sopawards.com/>) best designed magazine in Asia, to be the award’s co-organiser. With Tasting Kitchen’s involvement, HKRIDA’s reach has extended to Macau. The recognition will be given to those **establishments (restaurant/bar/cafe)** and **its design firm** that go above and beyond in their quest to deliver an exciting ambiance for their guests in the 2nd Hong Kong Restaurant Interior Design Awards (HKRIDA).

In 2016, the awards recorded 190 entries of restaurants and design houses. The Best Fine Dining Restaurant, Casual Dining Restaurant, Bar, Cafe, and their design firms are as below:
